A bar chart illustrating the distribution of employees across four global regions. The vertical axis represents the number of employees, with a scale from 0K to 50K. The horizontal axis lists the regions: Asia-Pacific, Europe, US & Canada, and Rest of World. The bars are colored teal. The values for each region are explicitly labeled above the bars: 70K for Asia-Pacific, 29K for Europe, 13K for US & Canada, and 11K for Rest of World.

Region	Number of Employees
Asia-Pacific	70K
Europe	29K
US & Canada	13K
Rest of World	11K

Category	Count	Percentage
Load	112685	100%
Play	59607	
Pay	1549	
		1.4%

Asia-Pacific	1.48%
Europe	0.82%
Rest of World	0.22%
US & Canada	2.26%

Region

- Asia-Pacific
- Europe
- Rest of World
- US & Canada

Metric	Asia-Pacific	Europe	Rest of World	US & Canada
DAU	57%	23%	9%	11%
Revenue	43%	20%	1%	35%

Asia-Pacific	\$18.62
Europe	\$38.77
Rest of World	\$27.50
US & Canada	\$54.11

Letter Grade	Number of Respondents
C	3058
D	2566
B	2073
A	1426
F	369
I	292
H	42
J	35

A horizontal bar chart with teal bars representing the number of people in each age group who have a high school diploma or GED. The y-axis lists age groups from I to H. The x-axis represents the number of people, with a scale from 0 to 12,000 in increments of 2,000. The values for each age group are: I (\$10,801), A (\$10,538), B (\$7,649), F (\$6,823), C (\$5,627), D (\$924), E (\$48), and H (\$46).

Age Group	Number of People
I	\$10,801
A	\$10,538
B	\$7,649
F	\$6,823
C	\$5,627
D	\$924
E	\$48
H	\$46
